C. Project Beds (Programs & Activities)

Here are the operational frameworks for each Innovation Garden program, offering structured guidance for the practical execution of Guided Virtual Adventures, 3D BookClub experiences, ILRNfuser Student Game Jams, and Virtual Labs. It includes program-specific templates, submission guidelines, facilitation guides, run-of-show models, and annual cycle documentation. Partners and volunteers use this Book to plan, deliver, and refine iLEAD activities throughout the 18-month cycle.
