Project: Post-Conference Hit List

This page contains items that we need to discuss or act on after the iLRN2026 Conference.

Important

- [ ] Jon, please try applying the non-profit discount. It did not work from my admin account. It might need to be applied from the main account (ilrnzoom)

Email Responses to Attendees

- [ ] Thank you email to people who donated. -- resent list to Jon

Follow-up with Attendees that could not present

- [ ] John Soboslai - - Paper 152 - Family Loss
- [ ] Farzan Baradaran Rahimi - Paper ID 141 - Scheduling mistake
- [ ] Both said last two weeks in July are fine (John is Pacific Time, Farzan is Mountain Time)
- [ ] Pick a day that Jon can attend.

Missing Demos

- [ ] Scott Cardwell from ImmerseMe - Missed Online Demo due to poor communication
- [ ] Jewoong Moon - Missed Online Demo due to poor communication

Update Credit Card on Auto Pay Sites

- [ ] Invision Community
- [ ] MailerLite
- [ ] Tally
- [ ] Claude GPT
- [ ] Chat GPT
- [ ] FastComet. While on FastComet, also activate admin access for Michael.

Event Management

Do we continue with Cvent or try a different software?

- EventSquid: https://www.eventsquid.events/ - Demo scheduled 7/10 with Jon
- Given our most successful sessions (in terms of being able to record them) are in Zoom, maybe Zoom Events?

  https://zoom.us/pricing/events
- EventMobi: https://www.eventmobi.com/
- Fourwaves: https://fourwaves.com/
- Oxford Abstracts: https://oxfordabstracts.com/
- RegFox for registration? https://www.regfox.com/

Illuminators Forum / Guided Virtual Adventures / Lightning Talks

- Implement scheduling solution using Calendly?

  https://calendly.com/michael-immersivelrn/lightning-talks?month=2026-07&date=2026-07-06

Digital Library Prototype

Where do we want to go with this?

https://2745502.playcode.io/

- [ ] Michael will put together a list of questions regarding integration with AI.

Doctoral Community Web Page

I created a web page with Noah's design for the Doctoral Community. None of the links from this page are active. What do we need to do to proceed from here?
