

iLRN2026 Virtual Treasure Hunt to rediscover the legacy of Ancient Greece!

Discover the Greek-inspirations for our immersive learning Open Society.

- *The Open Immersive Society has seven doors. Find them!*

The hunt is hosted across seven [Frames](#) on the iLRN Campus, each dedicated to one of the following themes: [Philosophy](#), [Politics](#), [Science](#), [Literature](#), [History](#), [Arts](#), and [Athletics](#). See why iLRN has been deeply inspired by the Greek traditions in our expanding Open Society for immersive learning.

How to Play

1. Start in the [ilrn-central](#) frame, locate the Treasure Hunt Area and watch the [introduction video](#).
2. Select a theme by clicking on the corresponding inscription to teleport to the appropriate frame.
3. Find and watch the Welcome Video of the specific theme (here are all of them: [Philosophy](#), [Politics](#), [Science](#), [Literature](#), [History](#), [Arts](#), and [Athletics](#)).
4. Explore the world and search for the Ancient Greek Vases. Each theme contains 6-7 vases, and each vase reveals a riddle.
5. Solve each riddle and record the first letter of the answer.
6. Look for scrolls throughout the world. Each theme contains 3-4 scrolls that provide hints to help you solve the riddles.
7. Once you have found and solved all the vase riddles, locate the Ancient Portal.
8. Solve the portal's final riddle using the first letters collected from the answers to the vase riddles.
9. Enter the solution in the password-protected area to unlock the portal and complete the challenge. Use only lowercase letters.
10. Click on the Congratulations Message to add your name to the [leaderboard](#).
11. Click go back to ILRN Central to continue your journey with another theme.

Good luck and enjoy your exploration of the legacy of Ancient Greece on the iLRN Campus!
